ECRA FAMILIES

REGISTRATION

If you have not registered your student for next year, you will need to fill out an intent form and will be put in our lottery process. The lottery will be held every 1st and 15th during May through July. The intent form can be found on our website at:

It's hard to believe that school is already out for the summer. We hope you get a well deserved rest and time with your families. Here are a few important updates.

BLACK LIVES MATTER

Here is a link to resources on how to talk to kids about racism. The more we educate ourselves on inequity, the better chance we have to come together as a nation and make the necessary changes needed for social justice.

P-EBT CARDS

Please make sure we have your current address on file at the school to make sure cards are sent to your correct location. If you need to make changes, please email Brenda at brenda.garcia@ecracharter.org

Virtual Summer STEAM Program July 6th-July 24th

Your student is invited to join a 3-week program of Explora activities involving science, technology, engineering, art, and math. You'll pick up all of the materials at ECRA to build, create, and explore at home! Students will be provided learning kits designed by Explora to take home and use in collaboration with their teacher through the Google Classroom. Look for registration information early next week! Spaces are limited.

Please visit the link below to get information on the Grab and Go Meals for summer. The site includes city and county pick up

locations and guidelines. The distribution days are Monday through Friday from 11:30 a.m to 1:00 p.m. All meals are served on a first-come, first-served basis. Dates and times are subject to change.

August 4th is our currently scheduled start date for the 2020-2021 school year. Please keep in mind that our school calendar is subject to change based on special session legislation, NM PED guidance, and public health orders. Classes may be held online, on-site, or a combination of both. We will keep you updated as we receive more information from the regulatory agencies. Our top priority is always the health and safety of our students, families, and staff.

Report cards will be available in ParentView next week.

Explora Camp Scholarships

The Explora Science Center and Children's Learning Museum has scholarships for virtual camps and in-person camps. If you're interested in applying, contact Edwina at reservations@explora.us. Camps are available for preK through 12th grade. All the topics, dates and times can be found on Explora's website: <https://www.explora.us/en/educational-programs/camps/>
