Time is running out!

DROP OFF PLAN

FOR LOANED ITEMS

We will be scheduling time with each family to drop off school property, including the laptops/tablets that were loaned out while the school has been closed. There will be a schedule that has each grade level on a particular day and you will be contacted to arrange a time on that day.

In order to maintain social distancing, please call the school at 505-314-2212 from your car in the parking lot when you arrive at the scheduled time. We will then bring a cart out to your car. There will be a form for you to sign on the cart. Once signed you can place the devices and their

power cables on the cart for us to take back into the school. Thanks in advance for your understanding, and please let us know if you have any questions about the procedure for returning equipment.

Please keep sending photographs of your students with their schoolwork for the newsletters. We are working on a virtual reward system and will give Howl Bucks to any student that participates. It is a joy to see students show pride in their achievements!
