

## EL CAMINO REAL ACADEMY | UPDATES – JUNE 19, 2020

### School Year 2020-2021

The plan for the upcoming school year will be available as soon as possible. We are waiting on guidelines from the state and health officials. Please be patient and know that we will do everything we can to keep everyone safe, happy, and healthy. It will be vital that we work together in order to be successful.

### ECRA's Virtual Summer STEAM Program

Join ECRA's Virtual Summer STEAM Fun! Your student is invited to join a 3-week program of activities involving science, technology, engineering, art, and math. You'll pick up all of the materials at ECRA to build, create, and explore at home! Your student will have time in small groups with their teacher for targeted instruction on core academic skills.

**Date:** July 6th-July 24th

**Classes:** Two online classes on Google classroom each day (about 1 hour total)

**What to Expect:** Your student will

- Attend two online classes on Google classroom each day
- Build, create and explore at home each day
- Keep track of all their materials for the entire program

**Participation:** If your student can't attend the online class, have them leave a comment in the classroom. This way their teacher knows your student saw the lesson. ECRA office staff will reach out after your student has missed 3 or more sessions.

This program is first-come, first-served, so fill out this [Google form today](#).

### Registration

If you have not registered your student for next year, you will need to fill out an intent form and will be put in our lottery process. The lottery will be held every 1<sup>st</sup> and 15<sup>th</sup> during May through July. The intent form can be found on our website at:

<http://elcaminorealacademy.com/enrollment>

If you have any questions please contact the school for assistance at 505-314-2212.

Check the school website regularly for updated information.
