PARKING LOT SAFETY

CHANGES AND IMPORTANT INFORMATION

EL CAMINO REAL ACADEMY

April 1, 2021

Dear ECRA Families,
There have been some changes to the ECRA parking lot. Due to these changes, here are some safety precautions for drop off and pick up procedures:

DROP OFF:

- Students can only be dropped off on the inside lane closest to the building
- The outside lane will be for drive through only to keep children safe
- There will be a sign clearly identifying which lane is for drop off and which is for passing
- Families will need to enter through Clinton in order to get in the proper lane
- There is a fence in between parking spaces and the drop off/pick up/drive through lanes to avoid drivers darting in and out which puts pedestrians at risk
- Pedestrians need to use crosswalks to get to the building
- Please keep the crosswalks clear in order to keep them accessible to pedestrians
- The speed limit is 5 mph and please stop for pedestrians
- Please watch staff for stop and slow signs and follow their directions
- Do not park and exit your vehicle
- Please stay off your cell phone to help keep everyone safe
- The parking spaces directly on the east side of the new fence are designated handicap spaces and not to be used a drive through lane for safety purposes

PICK UP:

- K-1 students will be picked up on Clinton on the sidewalk next to the elementary playground
- Grades 2-12 will use the front of the building for student pick up
- Please follow all the same safety guidelines named above in the drop off section

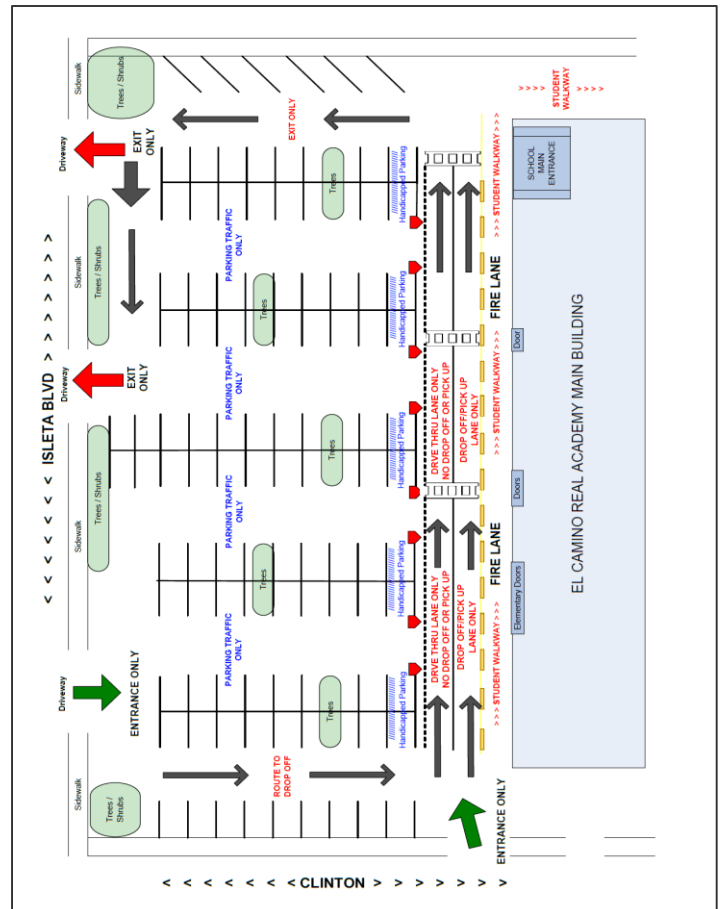

Thank you,
ECRA Administration

ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE

(if you choose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
 - Sore throat, runny nose, congestion
 - New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
 - Shortness of breath or difficulty breathing
 - Diarrhea, vomiting
 - Loss of taste or smell
 - New onset of headache
 - Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19.

MEAL PICK UP PROCEDURES

The pick-up procedures remain the same, but please be cautious when driving to the cafeteria. Staff will be present and may be walking in the same area that you are

driving. As stated in the new sign up form, pick up is between 1:30 and 4:30 on Fridays for students that are in remote learning. You must sign up in order for us to be prepared with enough food. If you are new to this, here is the procedure when you get to the school to pick up your meals:

Text 501-436-6169 when you have arrived. Please include the following in your text:

- Name of students
- Teacher of at least one student
- Number of meals

You will be directed where to drive to pick up the food when it is your turn. Thank you in advance for your cooperation.

If any family has a **positive case of COVID-19**, please contact Brenda Garcia or Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!

Have a great weekend!
