WELCOME

Hello ECRA families!
Here are updates and information for May. It's hard to believe there are less than two months left this school year. Don't forget ECRA has classes until June 18th. If you have any questions or concerns, please contact the school at 505-314-2212.

IMPORTANT DATES

May 3-7: Teacher Appreciation Week
May 4: NWEA begins for elementary
May 7: Picture Day
May 7: Last day of Senior Fundraiser
May 24-28: Istation Testing (K-5)
May 10: NWEA begins for secondary
May 26-28: Senior Finals

ALL EVENTS/MEETINGS ARE VIRTUAL

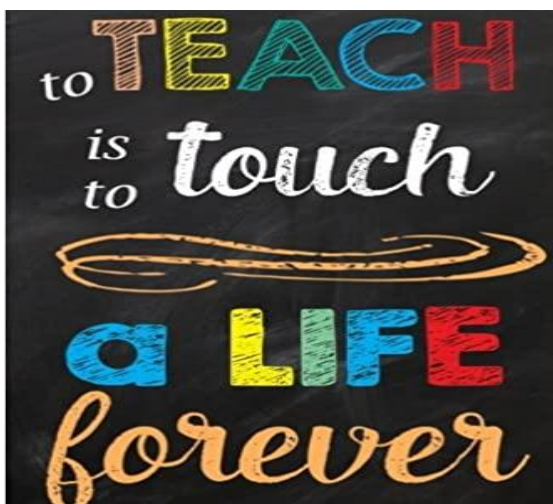

PICTURE DAY

Picture Day will be held on May 7th. A flyer was sent to your email with more information.

TEACHER APPRECIATION WEEK

Celebrate teachers May 3rd -7th!

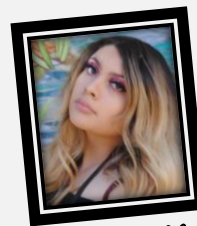

Help support ECRA seniors by participating in their fundraiser! There is only one week left! You can join in sales by using this link: <https://www.shopfund.com/>

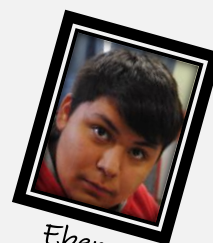

You can also participate by purchasing products by clicking on any of the images of our seniors below:

ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE

(if you choose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
 - Sore throat, runny nose, congestion
 - New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
 - Shortness of breath or difficulty breathing
 - Diarrhea, vomiting
 - Loss of taste or smell
 - New onset of headache
 - Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19.

COVID SURVEILLANCE TESTING

The state of NM has recommended that all families participate in regular COVID surveillance testing. This is especially important for students attending on campus activities or learning.

ECRA would like to encourage families to participate at least **once a month**. Please participate by week.

Week 1: last names starting with A-E,

Week 2: last names starting with F-L,

Week 3: last names starting with M-P,

Week 4: last names starting with Q-Z.

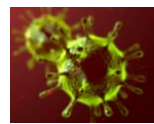

You may request a Vault link for testing at home.

Vault testing is a saliva test that you collect at home. This is done while on a zoom call where a Vault employee observes the collection. The sample is then sent via UPS to get results.

<https://learn.vaulthealth.com/nm/>

You may also go to the following link and set up your appointment for an in person test at a local testing site near you.

<https://cvprovider.nmhealth.org/directory.html>

If any family has a **positive case of COVID-19**, please contact Brenda Garcia or Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!

Have a nice weekend!
