ECRA STUDENT **DAILY** COVID-19 QUESTIONNAIRE

(if you choose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:
Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
   - Sore throat, runny nose, congestion
   - New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
   - Shortness of breath or difficulty breathing
   - Diarrhea, vomiting
   - Loss of taste or smell
   - New onset of headache
   - Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19.

STUDENTS AGES 12+ CAN SIGN UP FOR THE COVID VACCINE

Students who are 16 and older can now get the COVID-19 vaccine, and students who are 12-15 will soon be able to get vaccinated. Start your summer off safely by getting vaccinated. But first, students should register with the New Mexico Department of Health.

The vaccines are free for everyone.

EMERCENCY BROADBAND

Here are some flyer regarding emergency internet services:

If any family has a **positive case of COVID-19,** please contact Brenda Garcia or Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!

Have a nice weekend!
