FAMILY NEWSLETTER
November 19, 2021

IMPORTANT DATES

- November 22-26:** Thanksgiving Break (no school)
- November 29:** Progress Notes will be sent out
- December 3:** Picture retakes
- December 4:** Breakfast with Santa-virtual
- December 7:** Math and Science Night-virtual

WELCOME

Hello ECRA families! Here are this week's updates and information for November and the beginning of December. A newsletter will not be sent out next week due to the holiday. We hope you all have a wonderful Thanksgiving!

MATH & SCIENCE NIGHT

Virtual Math and Science Night will be held on Tuesday, December 7th from 5:30 to 6:30. The first half of the event will be facilitated by ECRA and the second half by Sandia Family Science by Explora. A flyer with more information will be available soon.

COVID-19 VACCINES

Now that the Governor has extended booster shot eligibility to all New Mexico adults, you can sign up at:

<https://cv.nmhealth.org/covid-vaccine/>

You can also use the same link to register for your first dose or for your student to receive their vaccine.

Virtual

Breakfast with

SANTA

at 9:00 A.M.

Saturday, December 4th

*Join us for activities and a story read by Santa himself!
He will also have time to hear Christmas wishes that
anyone would like to share with him.*

Breakfast and Pajamas are optional.

ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE (if you chose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
 - o Sore throat, runny nose, congestion
 - o New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
 - o Shortness of breath or difficulty breathing
 - o Diarrhea, vomiting
 - o Loss of taste or smell
 - o New onset of headache
 - o Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?
5. Is anyone in the household waiting for COVID-19 test results? (routine surveillance testing not included)

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19

EMPATHY VIDEO

Here is a nice story to share about empathy and hope. It helps remind us all that every person has a story that deserves to be heard. It also reminds us of the things we are thankful for in our own lives.

LEARNING OPTIONS

As a reminder, ECRA is operating with 3 learning options for students.

Option A: Students are onsite

Monday through Friday

Option B: Students are fully remote

Option C: Students are in remote learning Monday through Thursday and onsite on Fridays.

Families are asked to remain in the option they chose for the remainder of the semester with one exception. If you decided to have your child attend school for in person instruction every day and you later decide you would like to change to remote learning, you may do so at any time. You would just need to complete the [Change Request for Remote Learning](#) form and your student will be moved.

If any family has a **positive case of COVID-19**, please contact Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!

Have a safe and happy holiday!
