March 11, 2022

IMPORTANT DATES

- March 22: Istation Testing (grades K-5)
- March 24 & 25: Parent Teacher Conferences
- March 28: Reading & Math Testing begins (grades 3-8)
- March 28: Science Testing begins (grades 5, 8, and 11)
- March 31: Birthday Celebrations

WELCOME

Hello ECRA families! Here are some important updates and information for March. Please reach out to the school if you have any questions or concerns.

Parent-Teacher Conference

CONFERENCES

Parent teacher conferences will be held on March 24th and 25th. Classes will not be held in order to give teachers and families enough time for their meetings. Secondary students will be required to complete assignments given by their teachers for those two days. More details will be available soon.

FREE VISION SCREENING AT ECRA

Click on the link below for more information:

http://elcaminorealacademy.com/wp-content/uploads/2022/03/ECRA-Vision-screening-flyer_English.pdf

FREE Vision screening at ECRA

In conjunction with NM Lions Operation Kidsight

On campus Friday 3/18
For students in elementary

We will begin with Kinder
and work through grades as
time allows

Please contact the school nurse at
505-510-1802 if you do not want your
student to participate or if you have
questions or concerns.

ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE (if you chose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
 - o Sore throat, runny nose, congestion
 - o New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
 - o Shortness of breath or difficulty breathing
 - o Diarrhea, vomiting
 - o Loss of taste or smell
 - o New onset of headache
 - o Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?
5. Is anyone in the household waiting for COVID-19 test results? (routine surveillance testing not included)

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19

LEARNING OPTIONS

As a reminder, ECRA is operating with 3 learning options for students.

Option A: Students are onsite

Monday through Friday

Option B: Students are fully remote

Option C: Students are in remote learning Monday through Thursday and onsite on Fridays.

Families are asked to remain in the option they chose for the remainder of the semester with one exception. If you decided to have your child attend school for in person instruction every day and you later decide you would like to change to remote learning, you may do so at any time. You would just need to complete the [Change Request for Remote Learning](#) form and your student will be moved.

We realize there may be some situations that may require flexibility concerning the learning options. If your family is need of a temporary adjustment, please contact the school.

We also want to thank all of you for your flexibility and understanding when the school has to transition temporarily between onsite and remote learning due to COVID situations.

If any family has a **positive case of COVID-19**, please contact Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!

Have a nice weekend!
