Premier Medical
Group USA

Still need your vaccine?

We can help! No ID required. Walk-ins welcome.

Vaccine clinic will be held in the health office at ECRA during parent teacher conferences from 9am to 3pm on Thursday March 24th and Friday March 25th.

Get vaccinated in 6 easy steps!

1. Visit VaccineNM.org
2. Click "Schedule an Appointment" (or create a new profile)
3. Enter your confirmation number and birthdate to log in
 - If you don't have a confirmation code, click the link below the box "don't know your confirmation code" and you will be sent a new one
4. Click "Schedule your Appointment"
5. Search by Covid-19 vaccine type and location or enter the Event Code
 - ECRA1 for Thursday
 - ECRA2 for Friday
6. Register for a time slot that works for you!

That's it! Show up for your event and you'll receive your FREE Covid-19 vaccine!

Vaccinating New Mexico!

If you put
your mind to
it, you can
accomplish
anything.

QUALITY OF EDUCATION & TITLE I FAMILY ENGAGEMENT SURVEY

Please take a moment to answer our school's Quality of Education and Title I Family Engagement Survey 2022. Your answers will be used to make sure we are doing our best to support our students to learn. Please only respond once per student.

If you have not already completed it, please do so by using the following link:

<https://www.surveymonkey.com/r/T1-Charter>

ECRA STUDENT DAILY COVID-19 QUESTIONNAIRE (if you chose in-person learning)

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions:

Please do not send your child to school. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at ECRA.

Questions for ECRA Students Before They Go to School

1. Does your child currently have a temperature of over 100.4 degrees?
2. In the past 24 hours, has your child experienced:
 - o Sore throat, runny nose, congestion
 - o New frequent, dry cough (for students with documented chronic allergies/asthma, a change in baseline cough)
 - o Shortness of breath or difficulty breathing
 - o Diarrhea, vomiting
 - o Loss of taste or smell
 - o New onset of headache
 - o Fatigue or muscle or body aches
3. Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
4. Has your child recently been in contact with anyone who has tested positive for COVID-19?
5. Is anyone in the household waiting for COVID-19 test results? (routine surveillance testing not included)

Reviewing these questions daily and making good decisions can help us prevent the spread of COVID-19

LEARNING OPTIONS

As a reminder, ECRA is operating with 3 learning options for students.

Option A: Students are onsite

Monday through Friday

Option B: Students are fully remote

Option C: Students are in remote learning Monday through Thursday and onsite on Fridays.

Families are asked to remain in the option they chose for the remainder of the semester with one exception. If you decided to have your child attend school for in person instruction every day and you later decide you would like to change to remote learning, you may do so at any time. You would just need to complete the [Change Request for Remote Learning](#) form and your student will be moved.

We realize there may be some situations that may require flexibility concerning the learning options. If your family is need of a temporary adjustment, please contact the school.

We also want to thank all of you for your flexibility and understanding when the school has to transition temporarily between onsite and remote learning due to COVID situations.

If any family has a **positive case of COVID-19**, please contact Jennifer Mercer at 505-314-2212 as soon as possible. ECRA is required to report cases to the New Mexico Public Education Department. Thank you for helping us keep everyone safe!

HAVE A WONDERFUL WEEKEND!
