

Report from RFP evaluation committee for RFP 001-2122 Temporary Professional and Office Services

Committee members: Denise Brown, Edith Portillo-Rodriguez and Mary Scofield, CPO

We received 4 responses to RFP 001-2122. Each committee member reviewed the proposals from the respondents and scored the responses in accordance with the scoring rubric contained within the RFP. The committee met to discuss the responses and their scoring. The scoring by the three individuals were very consistent.

The RFP allows for awards to multiple vendors.

Two of the vendors had local offices and the other two were completely out of state entities. The two local vendors had experience with NM based K-12 education entities.

Recommendation:

The committee is recommending that the GC award the contracts to Robert Half International, Inc. and Sabio Systems, LLC. The RFP has an annual contract with 3 years of potential renewals.
