

The following people will be required to wear masks:

- ✿ Students and staff that have mild symptoms of a respiratory illness and are negative for COVID.
- ✿ Students and staff that have had a known close contact for COVID outside of school.
- ✿ Students and staff that have had a known close contact for COVID on campus and are participating in the test to stay program.

If you have any questions or concerns or if your student has a close contact outside of school or at home please contact the health office.
